

Dear Pastor and/or Board,

It's my privilege to introduce WorshipTraining to you, as your worship leader or someone involved in your worship ministry has expressed an interest in our training for your local church. We at WorshipTraining have one goal - to lift and strengthen the worship life of your local church.

WorshipTraining empowers your church's worship ministry through the world's most powerful worship training media. We provide **engaging online educational curriculum** to our online learning community of worship leaders and musicians from over 50 countries. Our Learning Director, Dan Wilt, has been educating worship leaders and teams for over 20 years (bio attached).

With a WorshipTraining Membership, your church can:

- Access UNLIMITED Courses and Media Items.
- Have training available 24/7 all year round on the internet, and INSTANTLY accessible.
- Get tremendous VALUE – less than the cost of sending one person to one conference.

WorshipTraining is designed to help you...

Train worship leaders and teams.

A Membership gives you access to a virtually unlimited supply of training curriculum for worship leaders and musicians to help you grow in the heart values and skills of your craft. With over 200 hours of training media – including dozens of Courses (with more being added regularly) – *you'll never run out of fresh resources.*

Save time and money.

Membership makes training yourself and your worship team easy. Everything is available at your fingertips – plan worship training nights, retreats and courses in minutes. It is also extremely cost effective. For less than the cost of sending one person to one conference, you can buy a yearly Membership for your church and train all of your worship leaders and musicians. Even your church.

Connect with a global worship community.

Learn with other worship leaders and worship musicians from around the world. WorshipTraining is like one big social learning network where you can connect with your peers. Discuss worship leading, bass playing, theology, kids worship, and more. Learn with others. Ask questions. Share song ideas. Get encouragement. Be inspired.

Again, the cost is **less than the cost of sending one person, to one conference** this year - for unlimited users in your church.

Friends like Paul Baloche (*Open The Eyes Of My Heart*), Brian Doerksen (*Faithful One*), N.T. Wright (*Simply Christian*), Kathryn Scott (*Hungry*) and hundreds of others are involved.

Your worship leaders and teams, as well as your entire church, will have access to one of the richest worship training resources of our generation.

Who directs the learning at WorshipTraining?

About The Instructor

Dan Wilt, M.Min. is the founder and lead instructor at *WorshipTraining*. After 20+ years as a worship leader, recording artist (Vineyard Music, *All You Are*), author (*Perspectives On Worship: Five Views* with Dan Kimball and others), media developer (DVD Host of *What Is Worship?*), and international conference keynote speaker, Dan received his Master Of Ministry Degree (M.Min.) in Classic Christian Spirituality and Formation.

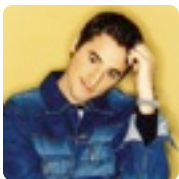

After developing a Worship Studies One Year Diploma Program and a Master of Ministry Degree program with St. Stephen University in New Brunswick, Canada, Dan created The Essentials Courses – 100% online, university-level studies in worship. To reach into the heart of the local church's resourcing needs around the globe, Dan then created *WorshipTraining.com* - an online education site for local worship leaders and teams that runs 365 days a year.

Dan draws on his extensive experience serving as the Worship Resource Developer for Vineyard Music Global, Worship Development Coordinator for the Association Of Vineyard Churches Canada, writer for Vertical Music, Creative Editor of *Inside Worship Magazine*, and as a conference speaker/worship leader at worship leader conferences and other interdenominational events for over 20 years. His ancient-future, post-modern aware, character-based approach is unique in today's worship leader development world.

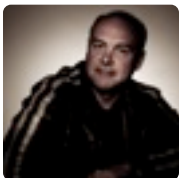

Dan has also served for over two decades as a local church worship pastor, senior pastor and training pastor, and has recorded eight CDs as a songwriter with Vineyard Music and others. The creation of The Institute in partnership with St. Stephen's University was a finalist for the Bridgeway Foundation Innovation Awards, recognizing powerful educational programs equipping creative leaders in a postmodern world.

To date, Dan has trained literally thousands of worship leaders, musicians, and worshipers in live and online events internationally throughout the past decades. With a Learning Community of over 7000 worldwide (and growing), and hundreds of churches from 50 + countries involved at *WorshipTraining.com*, Dan and his team are developing worship leaders to effectively serve in their local church and community with creative vision and a 21st century skill set.

Definitely worth participating." **Jeremy Begbie, Ph.D.** (Duke Divinity School, Thomas A. Langford Research Professor Of Theology; Cambridge University Theology And The Arts)

"Imagine a place where you are invited to ask big questions relating to how you think about God and worship. Imagine being part of a diverse, creative learning community who were all on a similar pursuit. The Institute provided a beautiful, solid foundation of thought, adding in building blocks which God is using to reconstruct some of my Biblical worldview. The whole process has personally been a surprising discovery, adding layer upon layer of fresh insight. **Di Hocking** (Worship Leader, Australia)
